

100 Person Contact List

Take a few minutes to write down the names of everyone you know and everyone who knows you – friends, family, neighbors, friends of friends. Even if you don't think someone will be interested in Arbonne, write his or her name down. You'll be amazed at how many people you know. This is one of the most important steps in creating success with Arbonne. Keep in mind that the people on this list will help you get started. You will continue to add to this list as you conduct Presentations and meet new people. It's exciting to know that the majority of your team is comprised of people you haven't met yet!
